

Job offer

BTA (m/w/d) WANTED

immediately full-time

Your career
at LCTech

LCTech GmbH in Obertaufkirchen is an established and fast-growing company with an international focus that develops and sells unique robotic systems and automated products for sample preparation for the analysis of food, feed, toxicological and environmental samples. To support our biolaboratory we are now looking for:

BIOLOGICAL-TECHNICAL ASSISTENT/IN OR BIOLOGY LABORATORY ASSISTENT/IN

WHAT YOU CAN EXPECT

A varied range of tasks:

- Cultivation of semi-adherent cells from different culture systems
- Sterile work at the safety cabinet
- Clean-up of antibodies using affinity chromatography including quality assurance
- Functional testing assays for proteins (affinity/competition)
- Binding studies and optimisation of proteins
- General molecular biology work

WE OFFER YOU

An interesting job, an attractive fixed salary with social benefits such as inclusion in the company's supplementary health insurance scheme, pension contributions and working in a competent team with state-of-the-art equipment.

HAVE WE AROUSED YOUR INTEREST?

Then we look forward to receiving your application documents, preferably by e-mail to Bewerbung@LCTech.de, stating your salary expectations. For further information please contact Mr Dr Aulwurm will be happy to provide you with further information by telephone on 08082/2717-260.
