* Please let us know your direct contact data, so that we can reach you personally.

We plan to send the following product to LC Tech:

Part Number _____
 Serial Number _____
 Quantity _____

The product is supposed to receive regular maintenance
 The product is supposed to be repaired, it shows the
 following errors:

The product is being returned to LC Tech for the following
 reason:
 Product packaging is not opened or damaged.
 (non-LC Tech labels/writing on the packaging = damaged)

Please send us:

An Offer

An RGA number (otherwise LC Tech will not accept a shipment of goods)

By sending this document, I/we agree to the following stipulation:

If return of immaculate ware is agreed upon, this includes immaculate product package, a checking and handling fee of 15% of the net value (min. EUR 100) is charged. Any additional charges/fees for the return shipment (e.g. freight charges, customs handling, etc.) are to be paid by the sender. If any of those charges are invoiced to LC Tech, they will be rejected or deducted from the return payment. Opened product packages or used products are excluded from return.
